Commissioner Halleck gave comment on the Local Government Funds (LGF) regarding the recent newspaper article stating "sweeping this under the rug". Representative Ginter and the CCAO have expressed their concerns with intent of the bill, understanding that the representative from Cincinnati is anti-traffic camera. In the media, the past Mayor of East Liverpool said they would rather have the fine money instead of the LGF. No one caught, in a 200-page document, where the entire county would be part of the off-set. Representative Ginter and CCAO are working on this being fixed. I want to remind that Representative Ginter supported the CARES act where the County received \$3 million. The Commissioners are working hard and look forward to the corrections.

Commissioner Weigle gave comment regarding the Solid Waste District holding an electronics collection on August 27, 2020 from 10:00 a.m. to 2:00 p.m. at a Lisbon location, to be disclosed when making a reservation. He noted that no appliances will be accepted, only electronics.
