

THE BOARD OF COUNTY COMMISSIONERS OF COLUMBIANA COUNTY, OHIO, MET IN REGULAR SESSION IN THEIR OFFICE IN THE COURTHOUSE, 105 SOUTH MARKET STREET, LISBON, OHIO, ON WEDNESDAY, MAY 26, 2021 AT 9:00 A.M.

ROLL CALL: MR. WEIGLE, MR. HALLECK, MR. PAPANODIS

CLERK: CALLIE SOWARDS

PRAYER WAS GIVEN BY: STEVE WASSIE

OPENING PRAYER
COLUMBIANA COUNTY
COMMISSIONERS' MTG.

5/26/21

We praise you, O Lord our God, we and we glorify your holy Name. We thank you for your many blessings, and for the help that you always give us. We thank you especially for the continuing decline in COVID cases and deaths. We thank you for the vaccines that helped make this possible.

We come before you today, and ask for your continued help and guidance for our county leaders in their mission to serve the people of Columbiana County. Guide them and strengthen them in their efforts to serve our citizens with care.

Bless our county's graduates, those graduating from high school, as well as those who are graduating from college, as they begin a new phase in their lives. Guide them, and help them to make wise choices as they go out into the world.

Help those who struggle with drug addiction, esp. those with young children. Help them to seek the help they need to end their addiction. Help the innocent children who are severely affected by the bad choices of their parents. Keep them safe in the very dangerous environment in which they live.

We ask you this, Lord God, as always, in your most holy name.

AMEN.

COMMITTEE REPORTS:

Commissioner Weigle reported he has received an email from the Ohio EPA approving the Air and Water Permit for the Elkton Waste Transfer Station.

Commissioner Halleck stated he has been in talks with CCAO concerning townships not included in the American Rescue Plan (ARP) money and while we cannot promise they will receive money, we are being good advocates and hoping for a positive outcome. There are a set of rules voiced by the Federal Government as to the projects that can be funded.

RE: ADOPT RESOLUTION #20-2021, ENGINEER – TID APPLICATION, STORM LINE EXTENTION

Motion by Mr. Halleck, seconded by Mr. Paparodis to; adopt Resolution #20-2021, TID Application for COL-CR 430-0.30 and CR 430 Storm Line Extension Project in St. Clair Township, presented by the Columbiana County Engineer.

COLUMBIANA COUNTY Board of County Commissioners

Tim Weigle, President
Mike Halleck
Roy Paparodis

RESOLUTION #20-2021

FOR COL-CR 430-0.30 AND CR 430 STORM LINE EXTENSION

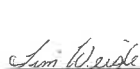

The Columbiana County Engineer's Office has developed roadway relocation plans for a one-mile section of CR 430 Calcutta Smith Ferry Road located 0.1 mile north of CR 425 E. Liverpool Road in St. Clair Township. This project, COL-CR 430-0.30, will improve the substandard horizontal and vertical conditions of the existing roadway at an estimated cost of \$ 5,500,000. This roadway realignment project has been fully funded through several sources, ODOT, OPW as well as Columbiana County and is anticipated to be built in the Fall of 2021.

An additional project, CR 430 Storm Line Extension, was added to eliminate a drainage issue that could not be included as a part of the COL-CR 430-0.30 project due to the limits of the roadway project. This project involves the construction of a storm line consisting of approximately 1100 feet of conduit, 10 catch basins/manholes, ditch reconstruction and seeding. It will be vital to have this project built in the Fall of 2021 in connection with the COL-CR 430-0.30 project to ensure a seamless transition for the upgrade of this section of CR 430.

We, the Columbiana County Commissioners, are in agreement with the Columbiana County Engineer, Bert Dawson, that both the proposed roadway project COL-CR 430-0.30 and the CR 430 Storm Line Extension project will provide a safer route for the traveling public. CR 430 Calcutta Smith Ferry Road is the eighth most traveled County Route and is used by both residential and commercial traffic as an east-west "by-pass" for traffic to the Midland/Beaver/Rochester/Monaca, Pennsylvania areas to avoid having to travel through the City of E. Liverpool. This route will have a significant economic impact on the area due to the on-going construction of the \$6 billion Cracker Plant currently being built in Monaca, PA. This Cracker Plant is scheduled to be completed and fully operational in 2022.

Adopted May 25, 2021

Columbiana County Board of Commissioners

Tim Weigle

Mike Halleck

Alex Pavloff updated the Board on the Office of the Ohio Secretary of State stating their two main functions are new businesses in Ohio and the Board of Elections. New businesses continue to increase despite the pandemic. The elections performed very well in 2020 with the highest percentage turnout. He stated Columbiana County was appropriated \$188,000.00 to "Help America Vote", upgrade cyber security, help to be ADA compliant and install a security cage in the basement to name a few. With the general election in November, they are pushing for absentee ballots online to decrease time on transit and to update the Ohio voter registration with the data bases talking.
