COMMITTEE REPORTS:

Commissioner Paparodis reported he received a call from a citizen regarding the Navigator Pilot Program and stated this is federal funding, not county, through the Small Business Administration (SBA) to help underserved businesses.

Commissioner Weigle reported the EMA Director, Peggy Clark and Co-Director, Brian Rutledge have successfully completed the LEPC exercise. Ms. Clark stated it was a challenging past year and half to deal with normal duties on top of completing required in-person trainings and still manage to complete on time. Commissioner Halleck appreciates all they do.

Mr. Barry Pidgeon of the Damascus Livestock Auction spoke regarding his license fees being raised by the County Health Department and voiced he is very unhappy with the increase for the restaurant license as they are only open six hours, one day per week (and shut down for five months due to COVID). He received a letter from the Health Department shutting him down for non-payment. Commissioner Halleck explained that the Health Department has their own Board, own funding, and the Board approves licensing fees. They do not answer to the Commissioners.
