COLUMBIANA COUNTY
COMMISSIONERS' MTG.
6/8/22

Loving God, we give you praise and honor. We thank you for your countless blessings. We thank you for being with us in good times and bad, and for helping us to weather the bad, knowing that you can bring good out of the bad.

We pray for an end to the senseless violence throughout our country. We pray for all the victims, both those killed, and also the survivors, who will never be the same as a result of their horrible experience. We pray for their families. Give them your comfort and your strength. Guide our nation's leaders — national, state, and local — help them to come up with meaningful ways to deal with the violence, to help prevent it, and to come up with ways to give emotional and mental help to those who have violent tendencies, in order to pull them from the brink of violent and hateful behavior.

Help our nation to return to the spiritual values that were part of the foundation of our great country.

We ask for your continued guidance and help for our county leaders as they strive to serve the people of our county. We ask you to continue to be with the people of our county and our nation, as they continue to deal with the economic crisis that our nation is currently facing, with baby formula shortages, rising gasoline prices, and the resulting rising prices of food and other necessities.

Help us all as we strive to serve you and one another in your name.

Help us to grow in our love for you and for one another.

We ask this in your most holy name. AMEN.
