COMMITTEE REPORTS:

Commissioner Weigle reported three AED's have been purchased one each for CCDJFS, Juvenile and Water & Sewer. Batteries and pad were purchased for the current ones in place. Training is pretty straightforward.

Commissioner Halleck mentioned they have been receiving numerous phone calls regarding the raise in taxes. In his view, this is a bad system in Ohio and the Board is powerless to make changes to the State Law. This thought is commonly shared by commissioners throughout the State. He feels if we raise the sales tax by one cent, this will help lower the real estate taxes and relieve those burdened by higher home taxes.
