COMMISSIONERS' MTG.**

2/8/23

Lord and Loving God, we thank you for your many blessings. We thank you that the train derailment last week in E. Palestine was not worse than it was – that no one was hurt or killed. We ask you to continue to guide and help first responders and agencies as they begin the clean-up. We ask you to help all those citizens and businesses who suffered financial losses as a result of the emergency.

We offer our prayers for all the victims of the massive earthquake in Turkey and Syria, and for their families.

We ask your help and guidance for our county leaders as they serve the people of Columbiana County. Guide them in their deliberations and help them to improve life in our county.

We ask you to help our villages, cities, and townships, our county, state, nation, and world to put an end to violence, and war. Give us the strength to love one another as you love all of us.

Finally, we ask you to put an end to the violent weather around the southern parts of our nation.

Help us all to grow in our love for you and for one another.

We pray in your most holy name.

AMEN.
