COMMITTEE REPORTS:

Commissioner Paparodis stated he met with CEBCO, out health insurance company, to review the 2023 claims and reported our loss ratio numbers are excellent. Our members are doing well with keeping to in-network appointments, but more education is needed on not using the ER as the first place to go with a minor illness. We are in a good position to not see a premium hike.

Commissioner Halleck stated there is a Land Bank meeting at 10:00 a.m. today.
