ROLL CALL: COMMISSIONER HALLECK (excused), COMMISSIONER WEIGLE, COMMISSIONER PAPANODIS

PRAYER WAS GIVEN BY: STEPHEN WASSIE

**OPENING PRAYER
COLUMBIANA COUNTY
COMMISSIONERS' MTG.**

7/17/24

Heavenly Father, we give you praise and honor for your many blessings. We come to you in sadness over the growing violence that is running rampant in our great nation. We pray for a end to the countless and senseless mass shootings in places all around our country, especially the senseless attack at the political rally this past Saturday. We pray for the victims, both those killed, and also the survivors, who will never be the same as a result of their horrible experience. We pray for their families. Give them your comfort and your strength.

We ask you to help those with severe mental and emotional conditions to seek help, rather than take out their violent feelings on innocent people.

We pray for an end to the political and moral hostility nationwide, and for a willingness to calmly and respectfully discuss differences.

Help our nation to return to the spiritual values that were part of the foundation of our great country.

We ask your guidance for our local and county leaders, as they strive to serve the people of our county.

Help us all as we strive to serve you and one another in your most holy name.

AMEN.

Public Comments:

Ms. Cyndi Dickey asked how much of the ARPA money was left and not earmarked as the City of Salem had submitted a request and has not received a response. Commissioner Weigle stated he would get her the information.

Mayor Wilson invited the Board to an informal Mayor’s meeting at the Nourish Café tomorrow morning at 8:00 a.m.

Mr. John Williams commented on the then and now bills and stated a lot of taxpayers have concerns about them. “We the people” ask that you read and explain each then and now bill during the meeting. He is concerned with the influx of illegals coming into our country and requested the elected officials to work hard to keep our county safe; be proactive and implement a plan to defend our county for what could happen. Commissioner Weigle stated we do work hard to stay aware and have a very good connection with the Sheriff’s Office, who does a great job to keep us safe and stated Mr. Willaim’s comments would be taken into consideration.

Being no further business, Commissioner Weigle adjourned the Commissioners regular meeting.
